1... Moon

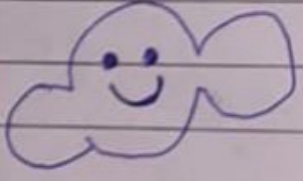

I change my shape every night.
I am the natural satellite.
I shine but don't have light of my own

2...

Sun
I am a ball of fire.
I give you heat and light.
I am a star but I am not seen at night.

3...

cloud
I bring you rain.
I can cover the sun.
I float in the sky.

4...

Stars
You can see us twinkling at night
We are twinkling balls of fire
We are very far away.
