

# KASHMIR UNIVERSITY MODEL HIGH SCHOOL

Class :

3<sup>rd</sup> Pry

Subject:

S. Studies

Chapter : 11

## LOCATING PLACES

### A. Tick the correct option;

1. (b) West
2. (c) Four
3. (a) Atlas

### B. Fill in the blanks

1. Direction helps us in locating places.
2. A book of maps is called atlas.
3. East is opposite to west.
4. South is opposite to north.

### C. Answer the following questions:

1. How will you find the four main directions in the morning?

Ans. We will find the four main directions in the morning by stand facing towards the rising sun. As we know sun rises in the EAST, thus EAST is in front of us, WEST behind us, NORTH towards left and SOUTH towards right.

2. Why is a map important for us?

Ans. Map is important for us because it helps in locating directions.

3. What is a sketch?

Ans. A sketch is a rough drawing or map of a place.

4. Write the name of the landmarks which you find on the route of your school from your house?

Ans.

## TRY # IT # YOURSELF

e.g.

while coming to school, I see  
University main campus,  
Education block,  
Management Deptt,  
Post Office,  
ATM Site etc
